Traffic Management

We have an updated logistic plan which has been approved by the Council. This will involve closing a section of the footpath on Church Road, an additional pedestrian

Site Progress

crossing will be added on Church to assist in crossing the road safely. (See over page)

Considerate Constructor Scheme

The site is registered with the Considerate Contractors scheme and we will abide by the code of practice to present a positive image for the construction industry. We had our first site audit recently and we are delighted to share that we achieved an Excellent score of 43 out of 45.

Defibrillator on Site

We would like to make our neighbours aware that a defibrillator is situated in our Site Office and is available for public use if ever required.
